More than just transport, **we care...**

Our dedicated oncology transport vehicles - **Barb's Buggy** & **Greg's Gadabout** were purchased from fund raising and dedicated to the memory of two wonderful friends of **GREAT Community Transport**.

Barb's Buggy is named after Barbara Jarvis, a long serving volunteer who passed away from cancer. **Greg's Gadabout** is in remembrance of Greg Marshall a past Board Chairperson and dedicated disability advocate who also passed away from cancer.

These vehicles are driven by our wonderful volunteers.

Proudly Supported by:
