This service receives funding assistance from the Home and Community Care Program (HACC), Sydney West Area Health Service (SWAHS) & Community Transport Project (CTP) to assist the frail aged, people with disabilities & their carers and eligible transport disadvantaged clients.

****Please ring the Office the day before for your pickup time- this also confirms that you are coming****

By being ready for your transport 15-20 minutes before your pick up time makes it easier for everyone. AND please phone in your appointments as soon as you get them, don't wait till the day before, as this makes arrangement difficult and we may not always be able to fit you on the trip.

Thank you for your co-operation in this matter
